

“Do you remember that tragic story about the kids who found a gun...”

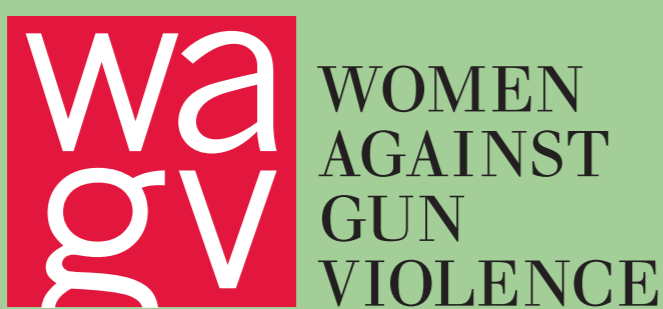

Ask family, friends and neighbors if their guns are locked up.

“I hope you don't mind me asking a few questions about the kids' safety...”

“We all know how curious kids can be...”

The TALK Project

If you own a gun, lock it up safely and securely.

The American Academy of Pediatrics recommends that the safest home for a family is a home without guns.

**Talking about guns is not
a one-time conversation.**

**TALK
with your
kids about
guns**

**“Do you know
any kids at school
who have guns?”**

**“What do you
think about
guns?”**

**“Have you ever
seen a real gun?”**
